The map displays the Sorrento Peninsula with detailed topographic features. Key locations include Sorrento, Massa Lubrese, Marina del Cantone, and Marina della Lobra. The map uses contour lines to show elevation, with peaks like Monte Corbo (240m) and Monte San Costanzo (485m) labeled. A red line traces a route through the peninsula. A small inset graph in the bottom right corner provides a profile view of the terrain along the route, showing elevation in meters (m) on the y-axis (0 to 400) and distance in kilometers (km) on the x-axis (0 to 20). The profile shows a series of peaks and valleys, with the highest peak reaching approximately 400 meters.
